## Princh at the library

Wednesday, March 03, 2017

### Print from any device & pay online with Princh

Our new printing solution, called Princh, is a user-friendly solution, which offers the possibility to print and pay from mobile devices, laptops and library PCs.

#### How to print?

1. Printing from your phone and tablet

The new printing system is also available on mobile phones and tablets. Download the free Princh app from [App Store](#) or [Google Play](#). Check [the printing from your iPhone video guide](#) or [the printing from your Android video guide](#) to see the steps you need to follow to start.

2. Printing from your own laptop

You can also print from your own laptop at the library by visiting the [print.princh.com](#) webpage. Check the [printing from your laptop video guide](#) to see the instructions.

3. Printing from the library PC

The print function on the library's computers works the same way as usual. All the setting options e.g., specification of number of pages and color choices are up to you. Check the [PC printing video guide](#) to learn more.

#### How much does it cost?

Black and white

A4	x units (kr, eur ...)
A3	x units (kr, eur ...)

Colour

A4	x units (kr, eur ...)
A3	x units (kr, eur ...)

#### How to pay?

With Princh you can instantly pay online from your device by card (Dankort, Visa, Visa Electron, Mastercard, or Maestro) or with MobilePay.

For further information about how to print with Princh, visit the [Princh website](#). You can also find the information in different spots inside the library or ask the staff - we will help you.
